

Attendance Policy

Date: September 2018

Lead: Headteacher

Next Review: September 2019

Committee: Curriculum, Standards and Community

1. Aim

The aim of St Jude and St Paul's CE Primary School attendance policy is to enable the school to provide a consistent practice that encourages and facilitates the regular attendance of all pupils. Regular attendance at school is key to steady pupil progress and enjoyment of learning, and for this reason the school is dedicated to ensuring its attendance policy is adhered to as much as is possible.

St Jude and St Paul's CE Primary School takes a whole-school approach to maintaining excellent attendance and it is the joint responsibility of parents/carers, pupils, and all staff members to ensure that children are attending school as they should be. We endeavour to work with families to make sure that any problems or circumstances which may lead or be leading to poor attendance are given the right attention and appropriate support.

This policy is supported by our policies on safeguarding and behaviour.

2. Legal framework

The Education Act 1996 states that:

The parent/carer of every child of compulsory school age shall cause them to receive efficient full-time education suitable:

- a) to their age, ability and aptitude, and
- b) to any special educational needs they may have, either by regular attendance at school or otherwise.

A person begins to be of compulsory school age:

- a) when they attain the age of five, if they attain that age on a prescribed day, and
- b) otherwise at the beginning of the prescribed day next following their attaining that age.

A person ceases to be of compulsory school age at the end of the day which is the school leaving date for any calendar year:

- a) if they attain the age of 16 after that day but before the beginning of the school year next following,
- b) if they attain that age on that day, or

c) (unless paragraph (a) applies) if that day is the school leaving date next following their attaining that age.

St Jude and St Paul's CE Primary School is dedicated to complying with attendance laws set out by the legal framework and has set out this attendance policy accordingly.

3. Roles and responsibilities

Governing body

As part of our whole-school approach to maintaining high attendance, the governing body will: Ensure that the importance of attendance is made clear by promoting the relevant school policies and guidance directed at parents and staff;

- Annually review the school's attendance policy and ensure that all provisions are in place to allow school staff, parents/carers, and children to implement the policy effectively;
- Nominate or identify a member of the governing body who will take the lead role in monitoring attendance and coordinating provision and policies for attendance;
- Ensure that all legislation regarding attendance is complied with and that up-to-date guidelines are communicated to parents/carers, children, and staff;
- Work out appropriate and accurate annual attendance numbers and future attendance targets, and submit these to the LA within an agreed timescale each year;
- Take time at governor's meetings to review and discuss attendance issues that have arisen in order to stay on top of expected attendance targets for the year;
- Ensure that the school is implementing effective means of recording attendance and organising that data, including for children who are educated off-site;
- Ensure that they are clear on how to analyse attendance data and how to communicate the findings effectively to parents and staff;
- Use any data gathered to devise solutions to problems, make the proper adjustments to attendance coordination and target set for the future.

School leadership team

As part of our whole-school approach to maintaining high attendance, the school leadership team will:

- Be active in their approach to promoting good attendance to pupils and their parents/carers, which includes forming positive relationships with families;
- Ensure that the school's teaching and learning experiences encourage regular attendance and that pupils are taught the value of high attendance for their own progression and achievement;
- Coordinate with the governing body to monitor the implementation of the attendance policy and its effectiveness, with an annual full policy review;
- Ensure that all staff are up to date with the school's attendance policy and government legislation, and that staff are fully trained to recognise and deal with attendance issues;
- Ensure that government legislation on attendance is complied with and that they (the leadership team) are up to date with any legislation changes and how to implement them;
- Nominate or appoint a senior manager to take the responsibility of overseeing and monitoring attendance provision and that this person has sufficient time and resources to give to this job;
- Report to the governing body each term and on attendance records, data and provision;
- Ensure that systems to record and report attendance data are in place and working effectively;

- Develop multi-agency relationships to help with poor attendance and support families who are having difficulties getting their child to attend; document any specific interventions or steps taken to work with families to improve their child's attendance in case of future legal proceedings.

Teachers and support staff

As part of our whole-school approach to maintaining high attendance, the school's teachers and support staff will:

- Be active in their approach to promoting good attendance to pupils and their parents/carers, which includes forming positive relationships with families;
- Ensure that the school's teaching and learning experiences encourage regular attendance and that pupils are taught the value of high attendance for their own personal progression and achievement;
- Ensure that they are fully aware and up to date with the school's attendance policy and government legislation and that they will speak to another member of staff or seek support if they are unsure how to deal with an attendance issue;
- Ensure that they are following the correct systems for recording attendance and that attendance is taken daily;
- Contribute to strategy meetings and interventions where they are needed;
- Work with external agencies to support pupils and their families who are struggling with regular attendance.

Parents and carers

As part of our whole-school approach to maintaining high attendance, we request that parents/carers:

- Engage with their children's education – support their learning and take an interest in what they have been doing at school;
- Promote the value of good education and the importance of regular school attendance at home;
- Encourage and support their children's aspirations;
- Follow the set school procedure for reporting the absence of their child from school (see section 4), and include an expected date for return;
- Do everything they can to prevent unnecessary school absences, such as by making medical and dental appointments outside of school hours;
- Use the school as a support when they or their child are having difficulties, and work to form a positive relationship with the school so that there is easy communication when a problem arises;
- Keep the school informed of any circumstances which may affect their child's attendance;
- Enforce a regular routine at home in terms of homework, bedtime, etc. so that the child is used to consistency and the school day becomes part of that routine. It is vital that the child receives the same message at home as they do at school about the importance of attendance;
- Do not take their children out of school during term time. If parents/carers would like to make a special request for this, they may do so to the Headteacher (see section 4.6);
- Sign the home-school agreement yearly.

Pupils

As part of our whole-school approach to maintaining high attendance, we request that pupils:

- Be aware of the school's attendance policy and when and what they are required to attend. This will be communicated to them through the school staff, parents/carers, and the school timetable;
- Speak to their class teacher or another member of staff if they are experiencing difficulties at school or at home which may impact on their attendance;
- Attend all lessons ready to learn, with the appropriate learning tools requested and on time for the class. Lesson times will be made clear through their school timetable;
- Bring a note of explanation from their parents or carers to explain an absence that has happened or is foreseen;
- Follow the correct set school procedure if they arrive late (see section 4.8). Pupils are held responsible for this and it is made clear to all pupils what this procedure is by their class teachers. This will help the school to monitor attendance and keep accurate records for the child's individual attendance, and is also vital for health and safety in the event of a school evacuation.

4.1 Categories of absence and procedure for reporting absences

Absences will be treated as unauthorised unless a satisfactory explanation for the pupil's absence is given to the school. Parents/carers cannot authorise absences.

Staff should make it clear on the school register when taking attendance whether a child's absence is authorised or unauthorised.

When a child is to be absent from school without prior permission, parents/carers should inform the school by telephone on the first day of absence and let them know what date they expect the child to return. This must be followed up with a written note from the parent/carer of the child. Alternative arrangements will be made individually with non-English speaking parents/carers.

4.2 Illness Most cases of absence due to illness are short term, but parents/carers will need to make a phone call to alert the school on the first day/each day of absence. When the child returns to school they should bring a note from their parent/carer explaining the absence – this is for the school records.

For prolonged absence due to illness, parents/carers may be asked to provide the school with medical evidence such as a note from the child's doctor, an appointment card or a prescription paper.

4.3 Medical or dental appointments Parents/carers should make every effort to ensure these appointments are made outside of school hours. Where it cannot be avoided, children should attend school for as much of that day as possible.

4.4 Authorised absences There may be some instances where the school will authorise absence such as for a family bereavement.

4.5 Exclusion Exclusion is treated as an authorised absence.

4.6 Family holidays and extended leave Parents/carers should ensure that family holidays and extended leave are arranged outside of school term time. Parents/carers do not have the automatic right to remove their child from school during term time for this reason. Requests for leave from school must be made in writing to the Headteacher in advance of the leave being

taken. In the case of unforeseen circumstances, such as a family bereavement that requires the child to travel to another country, this will be taken into consideration.

Retrospective applications will not be considered and this time taken will be processed as unauthorised absence.

All requests for authorised absence will be responded to in writing, and will outline the details of when the child is expected to return to school. Parents/carers should contact the school immediately if there will be a cause for delay from the stated date of return.

When deciding whether to authorise absence, the Headteacher will consider each application on its own merit, and the attendance record(s) of the child/ren concerned will be taken into account when making a decision.

If permission is not granted, but the child is still absent, the absence is classed as unauthorised and parents/carers may be referred to the Islington Access and Engagement Team and statutory action may be implemented.

4.7 Religious observance St Jude and St Paul's CE Primary School recognises that there may be times where children of different faiths observe religious festivals that fall outside of school holidays and weekends, and will allow authorised absence for these times.

Parents/carers will be aware of these dates and should give the school written notification in advance.

4.8 Late arrival Children are expected to be in class by 9am each morning. Children may arrive from 8:45am and the bell is rung at 8:50am indicating that children can now enter the classrooms to begin their 'early work'. The school gates are closed at 9am and registration in class begins at 9am. The registration period is from 9am to 9:05 after which are registered as 'late'.

Pupils who arrive after 9am and after the 9.05 registration period has ended should go straight to the school office to sign in and give a reason for their lateness. Any unjustifiable reason for absence will be marked as unauthorised. It is vital that pupils sign in at the office to ensure that appropriate health and safety regulations are followed and that all pupils are accounted for.

Persistent lateness will result in a referral to the Islington Access and Engagement Team for statutory action to be implemented.

5. School action: following up absences

Class registers are passed to the school office at the end of the registration period. Where there are unexplained or unauthorised absences, the school will contact the parents/carers. If persistent or a pattern of unauthorised absences and lateness emerges, the parent/carer will be contacted to discuss reasons and school support systems that could help.

Parents/carers will be contacted if a pupil gives a reason for an unauthorised absence which needs to be verified.

The office staff will request for written explanations from parents/carers for their child's absence upon the child's return to school if this has not been provided. This is for the school records and is necessary no matter what the reason or length of the absence.

Where pupils have been away for either short or long term, the school will support that child when they re-enter school to help them catch up on learning and any work that they have missed.

The school will take action against any pupils who are discovered to be truanting and parents/carers will be contacted to discuss possible reasons and school support systems that could help.
