## **'Bless us to encourage, love and learn'**

At St Jude and St Paul's Church of England Primary School we seek to encourage positive behaviour between all members of the school community, adults and children alike, to promote:

- Consideration and respect for others within the school
- Consideration and respect of school and personal property
- The emotional, physical and psychological safety of all at the school
- The development of mutual support, both academic and social
- The development of self-discipline, tolerance and understanding of others
- Preservation and enhancement of the school environment
- The truth and forgiveness.

We aim to achieve this by encouraging children to:

- have a positive, supportive and caring attitude towards one another
- have pride in St Jude and St Paul's
- be honest and responsible
- have growth within personal autonomy
- have tolerance and understanding of one another
- be respectful and show courteous consideration of others (adults and children)
- have regular and punctual attendance.

The following is taken from the school's behaviour policy.

It is a primary aim of our school that every member of the school community feels valued and respected, and that each person is treated fairly. We strive to be a caring community with values built on mutual trust and respect for all. Forgiveness is an integral part of life at St Jude and St Paul's.
