Dear Parents and Carers,

We hope you and the children have had a great half-term - the children have returned to school with positive attitudes towards their learning and are happy to be with their friends again.

We have some exciting events to come this half term such as World Book Day and Science Week - do look out for notices in the newsletter and any additional flyers/letters to come.

It's time to finalise costumes and put those creative hats on... enjoy!

Best wishes, Adeola Oladejo, Headteacher

## February Attendance

Come to school, everyday, on time!

**Whole School attendance for February: 93.4%**

Our whole school attendance is below our target.

Let's push for 96% every month!

## Science Week

11th - 15th March

The theme this year is Journeys!

There will be activities for the children during the week and a chance for parents and carers to also get involved with a science bake off...

More details to follow!

## Lunch with the children: Back to school

A suggestion from the Caterlink Coffee Morning was for parents to join their children for lunch.

We have set aside the week beginning 18th March. Parents will be welcome any day during that week - our lunch menu is on our website. The cost for an adult lunch will be £3. Please let the office know if you plan to stay for lunch and which day you would like, giving two days notice, so that you can be catered for. We look forward to seeing you there!

## Collection after school clubs

A reminder to ensure that children are collected on time after clubs. We will also do our best to make sure the children are ready to leave on time. Thank you.

## Art Day

Pupils had a great time during the Art Day, creating banners using a printing technique to represent our community and what it means to them. Each child made a contribution. Thanks again to the parent group for all their fundraising efforts. The banners will be displayed in the corridor outside the lower hall.
