Dear Parents and Carers,

It's been a busy half term but what has really shone through is our sense of community: the spring fair was a great success - thank you to all who came to support the event. A particular thank you to our Parent Group members (both old and new), our Year 6 class and staff for helping to make the event an enjoyable one for all. Well done to all children who designed and/or made a garden. There were so many entries, all imaginative and different. Both our Y6 and Y2 classes have worked incredibly hard during their week of SATs tests and we are very proud of how all children gave their very best. The governors and leadership team have been working together on our new school vision whilst the children have been busy working hard on a new school prayer with Ms Batchelor, Revd James and members of the church. We hope to be able to share both soon after the half term break.

Finally, we would also like to congratulate Ms Prevett who has been appointed as Deputy Headteacher from September. It is great that she will be able to continue her excellent work, making sure teaching and learning is the best it can be across the school.

With thanks for your continued support of the school, Ms Adeola Oladejo, Headteacher

Summer Footwear

We understand that parents and carers may find it difficult to find sandals, particularly closed toe sandals, that are black for the summer. Therefore any plain coloured sandals would be acceptable during this time.

We would prefer that sandals for school are closed toe for health and safety.

If children are wearing their usual school shoes, these should be black as per school uniform.
