Our School Vision

'Shine, Encourage, Love and Learn'

Jesus said, "You are the light of the world...let your light shine before others, that they may see your good deeds and glorify your Father in heaven." (MATTHEW 5: 14-16)

We aspire to **shine** as lights in the world as we journey together. We ask for God's **blessing** to:

- **Encourage**, through valuing and celebrating diversity;
- **Love**, so that we may flourish as one, nurturing the unique contributions of all, impacting positively on our world;
- **Learn**, so that we develop a love of learning, aiming for excellence in all we do.

Our core values: Forgiveness, Love, Encouragement, Wisdom and Togetherness

Our vision is to ensure that all children and adults in our school community are able to live and work together harmoniously at school and in the wider world. We believe that this can only happen in a happy, safe and secure environment where positive relationships, forgiveness, encouragement and love are at the heart of everything we do together, through a sense of community and responsibility.

At St Jude and St Paul's CofE Primary School, we seek to encourage positive behaviour between all members of the school community, promoting:

- Consideration and respect for each other within and beyond the classroom so that every pupil understands they have the right to feel safe, valued and respected, and to be able to learn;
- The development of self-discipline and self-regulation,
- The acceptance and understanding of others all are free from any form of discrimination
- The emotional, physical and psychological safety of all at the school;
- The development of mutual support, both academic and social;
- Honesty and forgiveness;
- Consideration and respect of school and personal property and the school environment.
- A joint approach between parent/carers and the school in the handling of behaviour incidents to foster good relationships between the school and pupils' home life.

We aim to achieve this by encouraging and supporting pupils to:

- have a positive, supportive and caring attitude towards one another;
- accept and understand one another, value and celebrate diversity and challenge discrimination
- be honest and kind;
- to take responsibility for their actions
- be respectful and considerate of others;
- have regular and punctual attendance
- have pride in their school, their learning and their environment.
