Government announcement on the proposed reopening of schools

Dear Parent and Carers,

I hope you and your families are all keeping safe and well.

Following the Prime Minister's statement on Sunday 10th May, we understand that there may be many questions regarding the proposed return to school for children in Reception, Year 1 and Year 6 from 1st June.

We continue to wait for further government guidance about what this means for our school and we will provide you with further information as soon as we are able to do so.

In the short term, there is no change to the current guidance – that is, we will continue to provide care for children of critical workers and those most vulnerable. Home learning will continue to be available every week for families to complete at home.

Thank you again for your continued support of the school and for each other during this time.

Yours sincerely,

Adeola Oladejo
