Dear Parents, Carers and Children,

We hope you and your families are keeping safe and well. All the staff at SJSP are thinking of you all very much and are looking forward to when we can all return to school.

It has been lovely to hear from many of you in one form or another - a phone call, an email, in person (of course, keeping a social distance) and let's not forget through our new class blogs! Staff have certainly enjoyed writing the blogs and we hope you and the children enjoy reading them just as much! Feel free to help your child make a comment - you will need an email address to post one, but this will not be made public on the website.

With thanks for your continued support,
Adeola Oladejo, Headteacher

Message from Chair of Governors, Matthew Kieran

Dear each and every one of you,

We hope that you and your families are well. Our present situation is challenging for everyone in different ways. The school is providing for every child either remotely or at school.

As part of our wider community, St. Jude's and St. Paul's is also here to support you. There is a parents and carers Whatsapp group which provides child focused information and support. Our church led by Rev. James continues to lead collective worship and daily prayers via YouTube. If you would like information about these or there is some other way we can help, or you want to let us know about other community support, then please do just get in touch.

SJSP Website

www.stjudestpauls.co.uk

Our school website is regularly updated: helpful links, class information, messages - please continue to visit it regularly and have a look around.

Home Learning Projects

If you have some great examples of home learning projects that you are particularly proud of, send a photo of it to admin@sjsp.islington.sch.uk and we can share it with the rest of the school community!

Edenred School Meal Vouchers

We hope eligible families have now received the school meal vouchers. Edenred apologise for any delay and thank parents and carers for their patience. Edenred can also be contacted directly by parents/carers via email:

freeschoolmealsparentscarers@edenred.com

Reception Places - September 2020

We may still have spaces in our Reception class for September 2020. For admissions, please apply through your local authority.

Design and Technology - creating a marble maze

Created by Asya, Y3, complete with flashing lights!

A maze in progress!
