Dear Parents and Carers,

Thank you to all who were able to attend our Parent-Teacher meetings. If you were not able to attend, please do make an alternative appointment to see your child's class teacher.

There are workshops for parents coming up this half of term - Families for Life and Maths. We hope that many parents will be able to attend. If you have ideas for parent workshops that you think would be useful for parents/carers, please do let us know.

Our Parent group have been busy again organising an International event for the children and families. Do get in touch with them through the office if you are able to help.

With thanks for your continued support,
Adeola Oladejo, Headteacher
