Dear Parents and Carers,

We've all coped well with the wet weather this week, the children coping particularly well with a mix of indoor and outdoor play.

We are pleased with the progress we are making with understanding and living our school vision and associated values. Thank you for any feedback given. Many children are indeed letting their light shine through their words, actions, behaviour and activities - do continue to make yourself proud.

With thanks for your continued support,
Adeola Oladejo, Headteacher
