

Suggested Daily Timetable

<p>English</p> 	<p>Spend 20 minutes completing a reading comprehension and answering comprehension questions – this can be written or spoken about if somebody can help you. Have a go at a handwriting sheet or writing some made up sentences really neatly!</p>
<p>Guided Reading</p> 	<p>Spend 30 minutes reading for pleasure. You could read aloud to an adult, to a sibling or to yourself.</p>
<p>Break</p> 	<p>Have a break! Listen to some music or dance to Just Dance, https://family.gonoodle.com/ is a good website for movement breaks throughout the day.</p>
<p>Maths</p> 	<p>Have a go at a maths problem in your pack. Now spend 15 minutes on Doodlemaths! Wow Mr Hernandez with your efforts 😊</p>
<p>Lunch</p> 	<p>Lunch - make sure you have a chance to play, move your body and get fresh air if you can.</p>
<p>Afternoon Activity</p>	<p>Project/topic activities for afternoons Art and craft activities, colouring. Use the time to give tasks that we may not get to do in school – be mindful of resources at home and space/support. A combination of activities to do independently or with family members is good.</p>

Reflection Time

Think of something that has made you proud of your learning today. Why do you feel proud and what do you think your teacher would say about your efforts. Can you give yourself a merit and what would you write?!
