

Phonics

This week, we're focusing on the ou digraph.

We put one thumb up and poke it with a finger from the other hand, pretending it is a needle and say 'ou'.

Please watch today's phonics lesson - you will need a pencil and a piece of paper.

Play Phase 4 Tricky Word Trucks on Phonics Play. Please select all HFW. What is your score? Try again, can you get a higher score?

Learning

Tuesday 16th June

Maths

This week, we will be learning about time.

https://www.youtube.com/watch?v=g6tJAY_7AL4

Do you have a clock in your house?

Use the attached sheet to draw how the clock looks:

- When you get up
- When you eat your lunch
- When you finish your home learning
- When you eat your dinner
- When you go to bed

Creative

Can you use some bits from your recycling bin to create your own cardboard watch? Can you write all the numbers around the outside of your clock face? What time does your watch show?

Physical

This week, we are practising mindfulness. Select one of these great videos each day and take some time to chill out and relax.

Topic

This half term, our topic is 'Changes'.

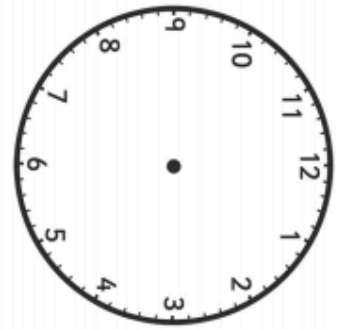

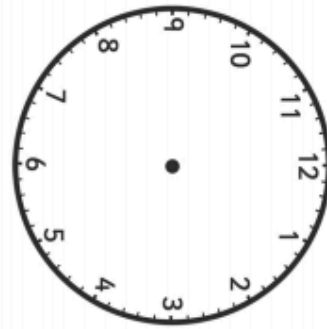

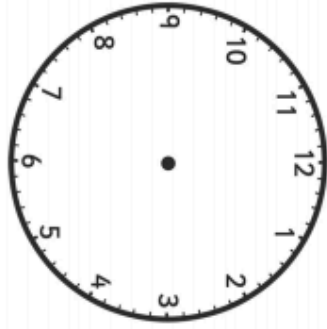

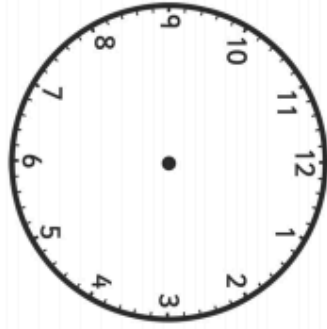

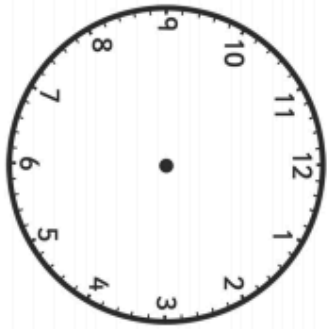

Throughout the year, we see the weather change and different things happening in nature. Watch this video to learn more about the different seasons:

<https://www.youtube.com/watch?v=ksGiLaIx39c>

Which season is your birthday in? Which season is it now? Which is your favourite season?
