

## Phonics

Today we are learning a new digraph - 'ie'

Stand to attention and salute with our hand on forehead saying 'ie'

Please watch today's phonics lesson - you will need a pencil and a piece of paper.

Play Reading Robot on Phonics Play - make sure you select Phase 4

St Jude & St Paul's  
Church of England Primary School

Reception Home  
Learning  
Monday 22<sup>nd</sup> June

## Maths

This week, we will be learning about sharing (division). Please watch <https://www.youtube.com/watch?v=fgoUVD0Hx5M>

Take a plate for each member of your family. Find some tasty treats (raisins, Cheerios etc) and take a handful - share them equally between the plates by placing one on each plate until you have none left. Count how many are on each plate, does everyone have the same?

## Creative

Our story today had a fantastic hat in it. Can you create your own amazing hat or headdress?

## Physical

This half term, we would normally be preparing for Sports Day. Try some of these activities this week...

How many times can you bounce a ball?

## Literacy

Please watch We Found A Hat <https://www.youtube.com/watch?v=c-8y3a7gqGw>

- Have you ever found something? What was it?
- What do you think they tortoises were thinking about when they were watching the sunset?
- Why did the tortoise leave the hat at the end of the story?

Can you make some puppets and perform a show like the one you watched?

If you have any questions or anything you'd like to share with me, please email me: [reception@sjsp.islington.sch.uk](mailto:reception@sjsp.islington.sch.uk)
