

Phonics

This week we are going to focus on the 'ie' digraph

Watch today's Phonics lesson on YouTube - you will need a pencil and paper.

https://www.youtube.com/channel/UC3k_zCcbN3c0x3NuT625w1g/

Play Phase 4 Buried Treasure on Phonics Play. Please select 'Polysyllabic words'.

St Jude & St Paul's
Church of England Primary School

Reception Home Learning

Wednesday 24th June

Maths

This week, we are learning about sharing (division).

How do we share something like a cake or a pizza? We need to cut them into pieces before we can share them out. If you are able, please make a cake or a pizza and work out how many pieces you will need for your family.

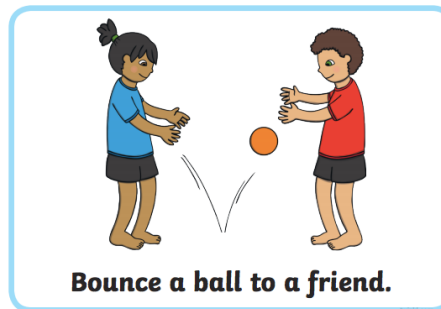

Creative

Think about the people who help to look after our school. Ray works on the building, Ben and Felicia come and clean every day. Janet helps when children get hurt. Can you make a card for one of these people to say thank you for helping us?

Physical

This half term, we would normally be preparing for Sports Day. Try some of these activities this week...

Bounce a ball to a friend.

RE

This term, we are thinking about our amazing planet. This week, we are looking a bit closer to home and thinking about our school. Please watch:

<https://www.youtube.com/watch?v=osfQg4yKtq8>

Jesus told this story to show that we can't just walk past when things are wrong, we need to stop and help. This sometimes means doing things we don't want to do. In our school, it is important that everyone joins in and helps. Sometimes this means picking up litter or turning off a tap; sometimes it means helping people who are hurt or upset. **Talk to an adult: How can we encourage others to look after our school?**

If you have any questions or anything you'd like to share with me, please email me: reception@sjsp.islington.sch.uk
