Dear Parents & Carers,

We hope you and your families are all keeping safe and well. It's been another busy week at home and at school - well done and thank you for all that you are doing to keep learning going and the children motivated. We know that it is not always easy and learning at home comes with many challenges. Keep going - you are all doing really well and the children are too!

Do continue to get in touch with us to let us know if we can help in any way.

Our best wishes to you all,

Adeola Oladejo, Headteacher and Senior Leadership team

Dates for your Diary:

Half-Term Week:

Monday 15th - Friday 19th February

REMINDER: STAFF INSET DAY

There will be a **staff INSET day on Monday 22nd February**. The school will be closed for critical worker and vulnerable pupils and reopen for them on Tuesday 23rd February.

Home Learning Work Books

If your child has been using the work books and you would like them marked/reviewed, you can drop them into the school office by next Friday 12th February. We can then return them to you by Friday 26th February.

Live Learning Sessions

It has been lovely to see many more faces in the 'Good Morning' sessions this week and the small group Bramble sessions are also going well too. Thank you for making the time for these.

If you are unable to make the small group Bramble session for any reason, please let the teacher know so that we can offer the session to another child. Thank you!

Six Tips for Learning in Lockdown

Tech reporter, Kate Russell (with her ferrets!) gives 6 really useful tips for learning at home during lockdown. Do watch this short clip (link below).
