Dear Parents & Carers,

We hope that you all enjoyed a lovely Easter break. The children returned to school and got straight back into their learning which was wonderful to see. Another amazing set of star awards for learning, behaviour and achievements, in and outside of the classroom, were presented to children today by some very proud teachers—well done to all.

A special mention to our Year 6 class who have been working ever so diligently in preparation for secondary school and their end of year national tests. You are a brilliant class, Year 6 - keep trying your very best!

With thanks for your continued support,

Adeola Oladejo, Headteacher and Senior Leadership Team

Islington

Beat the Street!

Well done to all who are participating! There are 109 players signed up and we are in 29th place (out of 47 schools). We have until 4th May to climb the leaderboard—remember you can walk, run, cycle, roll and scoot!

See how to play and the leaderboards here:

Year 5 Shakespeare Project

Our Year 5 pupils have begun their Shakespeare Project with the Primary Shakespeare Company. They are participating in Macbeth workshops (writing and drama) and will be part of a show with four other Islington schools. We are told that SJSP will be opening the show! The performance for Year 5 parents & carers will be in July—the date and details will be confirmed.

Summer Term Lunch Menu

We would like all children to eat well during the day so that they can focus well and be ready for learning and play in the afternoon. If you have any feedback on the summer menu options—food that your children particularly like and dislike—please share with us. We can then share with our school meals provider.

The summer term menu is available [here](#):

Info about our Equaliteach and Mental Health Workshops

Our pupils in Year 4, 5 and 6 will participate in Equaliteach workshops this half term. Do talk to your children about what the workshops were about and what they have learned.

Year 4 workshop - All Inclusive

This workshop explores the term disability, and helps pupils to understand that disabilities can be visible as well as invisible. The workshop helps pupils to consider how they can be active citizens, speak up about unfair treatment and improve the environment for disabled people.

Year 5 workshop - Reject Racism

In this workshop pupils will explore what racism is, how it manifests, appropriate terminology, and taking an active role in challenging racism and preventing bullying.

Year 5 Equaliteach workshop - Think!

This workshop helps pupils explore stereotypes and their impact, and the reliability of various information sources.

Time to Talk Workshops for Y3, 4, 5, 6

These workshops will support children in understanding that mental health relates to thoughts, feelings and emotions. Children will identify what contributes to mental wellbeing and offer their ideas on how school can support positive mental health.
