

Dear Parents & Carers,

Our Year 1 class presented a wonderful class assembly last Friday, telling us all about their learning on the seasons. Please have a look at your child's class assembly date for this term. We look forward to Year 3's class assembly this week. On Friday, we will also be visited by 24 college students from the USA. They will spend a morning at our school to learn more about the education system in the UK. They will visit classrooms and engage in learning and discussion with the children and staff. Do ask your children if they have any interesting questions that they would like ask our visitors to learn about schooling in America.

With thanks for your continued support, Adeola Oladejo, Headteacher and Senior Leadership Team

The Queen's Platinum Jubilee

We will be celebrating the Queen's Platinum Jubilee on Friday 10th June.

Children should come to school dressed in Jubilee colours — red, white and blue.

Children will spend the day participating in Jubilee activities and the day will end with our very own Jubilee tea party!

Attendance and punctuality

Please remember to contact the school on the first day of your child's absence to let us know why your child will not be in school.

Please help your child to come to school on time. Our classroom doors open at 8.50am and registers close at 9.05am. Being on time for school means that your child doesn't miss out on important learning at the start of the school day. Missing out on learning can make it difficult to keep up.

Star Awards!

Friday 13th May

Mental Health Awareness Week 2022

The theme for the week this year was 'loneliness'. During Collective Worship and in classroom sessions, children and staff explored belonging and connection, kindness and friendship. Do ask your children what they have learned. Should you want to speak to a member of staff about your child concerning any of the themes above, please get in touch with us.

Young Minds offer a [Free parents helpline](#) for advice, emotional support and signposting for children or young people up to age 25. Call free on 0808 802 5544 from 9.30am - 4pm, Monday to Friday.

Beat the Street!

Well done to all who took part in this. We didn't make the top of the leaderboard, unfortunately, but came in 36th place. If you have enjoyed walking and cycling to school why not continue doing so?

You can see the leaderboards here:

<https://www.beatthestreet.me/islington/>

Summer Term Lunch Menu and Packed Lunches

We are currently meeting with Caterlink, our school meals provider, to give feedback on lunches and menu options based on discussions with children and staff. Please get in touch with us should you have anything you wish to share.

Packed lunches: Please help us continue to be a healthy school. Remember to send your child to school with a healthy and balanced packed lunch. No nut products, please.

School Clubs

Our clubs for the summer term have started this week. Parents/Carers will have received a text message informing of the club(s) your child has been allocated. We were very oversubscribed for some clubs and were unable to offer everyone a place on their chosen club(s) this term. Please log onto School Money before the start of the club to pay, should there be a fee. Thank you!

Breakfast Club/After School Provision

Should you wish to book a space for your child, please do so no later than the evening before via the School Money app. We may not be able to accept bookings on the day.
